

Paul Jean Coze-Dabija (1903-1975)

Paul Coze had dual citizenship between France and America and resided mostly in Pheonix during his time here. He worked in numerous media including oils, watercolors, pastels, plastics and acrylics. He was technical director at 20th Century Fox, Universal Warner Bros. Studios.

Paul Coze created the big red Thunderbird mosaic tile mural at the Phoenix Airport, Terminal 3 and was commissioned by the city of Prescott to paint a mural of the history of the area for the big Centennial; it was on loan to the Phippen Museum for many years and has returned to Prescott, where it will be on display in the new Prescott Library beginning in fall of 2006. He had won many awards and had exhibits in Arizona, France and California.
